We know how hard it is to find a place to stay with your pets, and know how important it is to be able to travel with them. So that we may continue to offer pet friendly lodging, please carefully follow the pet policies.

-Please read and follow any special instructions that may be posted in the home.

-Please bring your pets bedding and crate, as they are not allowed on furniture or in the beds.

-All pets must be kept on a leash, walked regularly, and you must clean up after them each time.

- Pets left unattended in the home for any length of time must be crated. *For Pet Services such as; pet sitting, grooming & supplies, please visit the Harbor Country Chamber site at:*

<http://www.harborcountry.org/>

-Pets are never to be left outside or on the decks or screen porches when you are gone.

-Bring your favorite pet stain/odor removing cleaning product just incase there is an accident for you to clean up. Please also bring rags/towels for your dog—do NOT use our bath towels to wipe dirty paws or you will be charged.

-If your pet sheds, be sure to sweep up after them regularly.

-Pet owners will be responsible for any damage caused by their pets.

-Our ability to continue offering pet-friendly offerings depends in part by the responsibility of you, the pet owners.

*Don't forget to bring your pet's vaccination record in case of emergency. Bring your pets food from home, as it is easier on your pet if you don't suddenly switch brands. Don't forget their food & water bowls, a leash, and their favorite toy!

-If you were not able to send the appropriate payment via the web, please send money owed via PayPal or Chase QuickPay to ericaruff@hotmail.com or send Venmo to @Erica-Carli. Thank you!
